

## Warranty Options

Transparency is important to us, so we want to provide you with all the details of our warranty program ahead of time. In the rare event that you need warranty service, we are here to take care of you.

All bikes come with a 2 Year Standard Warranty (except Surface604 which is 1 Year.) Within the first 30 days you can choose to purchase our Premium or Premium Plus Warranty Coverage. Please contact us for more details. Note that all warranties are manufacturer warranties, and the manufacturer has final decision over coverage.
